State Swim's Easy Payment Options

State Swim believes in providing families with options in regards to the way they pay their fees, what suits one family may not suit another, therefore please read on to explore the different options we have made available to make swimming education more affordable. If you are unsure what would best suit your family, please feel free to ask us when making an enquiry.

1. Pay As You Go

This system enables you to pay for your tuition each time you attend.

The conditions that apply to 'Pay As You Go' are:

- On your first attendance you pay for two lessons, the first is for the lesson you are having that day and the second is for your last lesson. When you want to take a break at any stage in the future all you do is advise us the previous week and there is no charge for your last lesson.
- If you miss a lesson you have **two weeks** in which to do a 'make up'. A holding fee of 50% is charged for missed lessons. There is a maximum family holding fee of the value of one lesson per week.
- If you miss two consecutive lessons without advising us you risk losing your booking and forfeiting your lesson in advance payment.

It's easy and simple to 'Pay As You Go'!

2. Monthly Payment

You may wish to pay your fees on a monthly basis. Simply pay your fees on the first week of each month. The conditions that apply to 'Monthly Payments' are:

- You are required to pay for the whole month.
- Should you miss any lessons in that month you will be entitled to a 'make up' lesson, which you may use at any time in the future as an extra lesson. Please note that you must be financial for the month in which you use your make up lessons.
- If you do not attend for 2 consecutive weeks without contacting us and fees are outstanding, we will attempt to contact you. If we receive no response, we will assume that you no longer require your position and your booking will be forfeited.

It's easy and simple to pay by the Month!

Family Discounts

If three or more members of one family attend swimming lessons, discounts apply.

Please see Reception for further details.

State Swim offer EFTPOS, credit card, cash or cheques as form of payment. Once you have decided which payment method suits your family please advise reception and enjoy the opportunity you are giving to your children. Please ask for and hold on to your receipt as proof of purchase.

If you would like any further information regarding our fees and 'make-up' policies please speak to one of our Customer Service Officers.
