# State Swim's Easy Payment Options

State Swim believes in providing families with options in regards to the way they pay their fees, what suits one family may not suit another, therefore please read on to explore the different options we have made available to make swimming education more affordable. If you are unsure what would best suit your family, please feel free to ask us when making an enquiry.

## 1. Pay As You Go

This system enables you to pay for your tuition each time you attend.

The conditions that apply to 'Pay As You Go' are:

- On your first attendance you pay for two lessons, the first is for the lesson you are having that day and the second is for your last lesson. When you want to take a break at any stage in the future all you do is advise us the previous week and there is no charge for your last lesson.
- If you miss a lesson you have **two weeks** in which to do a 'make up'. A holding fee of 50% is charged for missed lessons. There is a maximum family holding fee of the value of one lesson per week.
- If you miss two consecutive lessons without advising us you risk losing your booking and forfeiting your lesson in advance payment.

*It's easy and simple to 'Pay As You Go'!*

## 2. Monthly Payment

You may wish to pay for your fees on a monthly basis. Simply pay the monthly fee on your first attendance for that month. The conditions that apply to 'Monthly Payments' are:

- You are required to pay for the whole month
- Should you miss a lesson in that month you are entitled to a 'make up' lesson which you may use at any time in the future as an extra lesson. Please note that you must be financial for the month in which you wish to use the 'make up' lesson.

*It's easy and simple to pay by the Month!*

## 3. Class Passes

You may wish to bulk buy lessons in advance and receive substantial savings from the normal lesson price. You have the choice of purchasing a 10 lesson pass (5% discount from normal lesson price).

The conditions that apply to the pass system are:

- On your first attendance we clip 2 lessons from your pass so that you are 1 lesson in advance. When you want to take a break at any stage your last lesson has been covered, in other words you will be a lesson in advance.
- If you miss a lesson you have **two weeks** in which to do a 'make up'. If you choose not to do a make up then you pay a holding fee to help us cover some of the costs for the missed lesson.
- If you miss two consecutive lessons without advising us you risk losing your booking and forfeiting your lesson in advance payment.
- You simply bring your class pass to each lesson to have it clipped at reception.
- No further family discounts apply for the class passes.

## Family Discounts

If three or more members of one family attend swimming lessons, discounts apply.

Please see Reception for further details.

State Swim offer EFTPOS, credit card, cash or cheques as form of payment. Once you have decided which payment method suits your family please advise reception and enjoy the opportunity you are giving to your children. Please ask for and hold on to your receipt as proof of purchase.

If you would like any further information regarding our fees and 'make-up' policies please speak to one of our Customer Service Officers.
